

CAPIC Head Start

"Learning At Home"

- ◇ Your child can't wait for the pandemic to go away....help them learn and grow just like they do when going to school! Register for Head Start and you can participate in our fun home learning program until our classrooms are open.

The Benefits

- ◇ Receive a free weekly packet of materials and activities for your child
- ◇ Activities are fun and help children learn math, literacy, science and more
- ◇ Parents learn how to help their child learn from the activities
- ◇ Weekly interactive zoom class with the other children and teacher
- ◇ Teachers use the same curriculum and activities that are done at school
- ◇ Your child will be prepared to come to school when classrooms open

For Children **3 to 5 years old** in Chelsea, Revere, & Winthrop.
